

HTS Questionnaire

To process the entry with US Customs, we will need some additional information from you on your commodity. If you have pictures or videos and/or specs of the commodity, please provide as well.

Commodity description: _____

What is its function/ What does it do? _____

How does it work? _____

What is it made of? _____

What are the key components? _____

What industries is it used in? _____

Is it a part or a finished product? _____

Is this a set? If so, please provide all items in the set _____

Is the product available to view on your website, if yes please provide the link?

The importer of record is responsible for any/all HTS submitted to US Customs with the entry and our assistance with the classification is from a professional advisory standpoint only.
