TERMS AND CONDITIONS OF SERVICE

PLEASE READ THESE TERMS AND CONDITIONS CAREFULLY. BY AGREEING TO USE THE SERVICES OF COMPANY AND ITS AFFILIATED ENTITIES, CUSTOMER SIGNIFIES ITS ASSENT TO THESE TERMS AND CONDITIONS. IF YOU ARE ACTING ON BEHALF OF AN ENTITY, THEN YOU REPRESENT THAT YOU HAVE THE AUTHORITY TO ENTER INTO THIS AGREEMENT ON BEHALF OF THAT ENTITY. THESE TERMS AND CONDITIONS OF SERVICE CONSTITUTE A LEGALLY BINDING CONTRACT BETWEEN THE COMPANY AND CUSTOMER. ALL SERVICES RENDERED BY COMPANY ON BEHALF OF, OR FOR THE BENEFIT OF CUSTOMER, SHALL BE PERFORMED IN ACCORDANCE WITH, AND BE SUBJECT TO, THESE TERMS AND CONDITIONS.

1. Definitions.

(a) **"Company"** shall mean Global Logistical Connections, Inc. d/b/a GLC; GLC Distribution, LLC.; GLC Freight Solutions, LLC.; JD Logistics, LLC. and their respective subsidiaries, related companies, agents and/or representatives.

(b) **"Customer"** shall mean the person for which the Company is rendering service, as well as its principals, agents and/or representatives, including, but not limited to, shippers, importers, exporters, carriers, secured parties, warehousemen, buyers and/or sellers, shipper's agents, insurers and underwriters, break-bulk agents, consignees, etc. It is the responsibility of the Customer to provide notice and copy(s) of these terms and conditions of service to all such agents or representatives.

(c) **"Documentation"** shall mean all information received directly or indirectly from Customer, whether in paper or electronic form.

(d) **"Ocean Transportation Intermediaries"** ("OTI") shall include an "ocean freight forwarder" and a "non-vessel operating carrier".

(e) **"Third parties"** shall include, but not be limited to, the following: "carriers, truckmen, cartmen, lightermen, forwarders, OTIs, customs brokers, agents, warehousemen and others to which the goods are entrusted for transportation, cartage, handling and/or delivery and/or storage or otherwise".

(f) **"Invoice"** shall refer to the quote, order confirmation, invoice or other documentation issued by Company reflecting the purchase of services from Company.

(g) **"Services"** shall mean any and all services offered or performed by Company on behalf of Customer, its agents and/or representatives, whether or not referenced in an Invoice.

2. **Application.** These terms and conditions shall apply to and shall govern all Invoices, agreements or other documents which memorialize an agreement to purchase Services from Company, regardless of

whether the Invoice or other document references these terms and conditions. All shipments, services, sales and quotations between Company and Customer are subject to these terms and conditions.

3. **General.** Company shall provide Customer with the Services that are identified in the attachments to these terms and conditions (the **"Attachment"**), in accordance with the terms and conditions contained in this Agreement, the Attachments, and any exhibits attached thereto (the **"Exhibits"**). The Attachments and related Exhibits are integral parts of these terms and are hereby incorporated into these terms and conditions by reference. In the event that there is a conflict between any terms or conditions contained in this Agreement with any terms or conditions contained in an Attachment, the terms or conditions contained in the Attachment shall take precedence.

4. **Non-Exclusivity.** It is understood that Company shall be free to provide its services to companies other than Customer and Customer shall be free to utilize logistics services from companies other than Company.

5. **Acceptance.** No terms, conditions, or prices for, or relating to any Services submitted by Customer shall be effective unless confirmed in writing by Company. No effect shall be given to any terms or conditions proposed in Customer's purchase order, proposal, request for quote, sales note, or any other document which add to, vary from, or conflict with the Invoice, with these terms and conditions, or any terms and conditions contained on or referenced in any agreement between Customer and Company, including, but not limited to, a bill of lading or contract of carriage. Any such proposed terms shall be void. Customer shall be deemed to have assented to and acknowledged these terms and conditions unless Customer notices Company in writing within three (3) business days of Customer's receipt of the Invoice that it rejects the Invoice and these terms and conditions.

6. **Request for Changes.** From time to time, Customer may request changes (including additions, modifications, and deletions) to the Services. Company will promptly review and discuss any such request from Customer and notify Customer in writing of any

adjustments to the Attachments required to implement such request. Any changes and adjustments approved in writing by the parties will be incorporated into the Attachments.

7. **Payment.**

(a) Invoice. Customer shall pay for Services and related services in accordance with the terms set forth in the Invoice, or as otherwise set forth in writing between the Customer and Company. Customer shall make all payments hereunder by wire transfer or ACH and in US dollars.

(b) Due Date. In the event the Invoice does not contain payment terms, Customer shall make payment in full within 30 days after the date of Company's invoice. A late payment charge of 1.5% per month (18% per annum) or the maximum rate permitted by law, whichever is less, may be assessed on overdue balances.

(c) Offsets. Payment shall not be contingent upon any payment to the Customer from any third party. Customer may not set off any sums owed to Company for any reason.

(c) Remedies. In the event Customer is in default of its obligations under this agreement, Company may, in its sole discretion, suspend Customer's credit privileges without prior notice. Customer represents and warrants that Customer is and shall remain solvent until Company receives payment in full for all services rendered. Customer shall be in default hereunder and Company may cancel any Contract without liability to Customer upon Customer's failure to make payment as required herein or upon Customer's failure to comply with any of the terms and conditions contained herein or upon the institution of any voluntary or involuntary bankruptcy, insolvency, receivership, or debtor relief processing by or against Customer or upon Customer's making of an assignment for the benefit of creditors. If Company employs any collection agency or attorney to collect any amount due Company, and/or to dispose of any goods, Customer shall pay all collection fees, attorneys' fees, and court costs, in addition to the amount otherwise unpaid. Company may bring suit for the collection of any such amount in any jurisdiction or venue Company may select. If any suit is brought by Customer against Company and Company is determined not to be liable to Customer or its liability is limited in accordance with these terms and conditions, Company shall be entitled to its reasonable attorney's fees incurred in defending said action. The foregoing sentence shall not apply in the event a Court or other tribunal determines that California law does not apply to the services rendered by Company.

(d) Overcharges; Undercharges. No action or claim to recover any overcharge or undercharge for Services may be brought by either party more than one

hundred and eighty (180) days after receipt of the initial invoice.

(e) Credit Risk. If Company in its sole discretion determines that Customer's financial condition or creditworthiness is inadequate or unsatisfactory, then in addition to Company's other rights, it may without liability or penalty (i) accelerate all amounts due hereunder and (ii) modify the payment terms, including requiring Customer to make advance payment of all fees and charges prior to the provision of any Services hereunder.

8. **Spot Quotes**. The parties understand that additional services and charges other than those set forth in the applicable Invoice may periodically arise. In those circumstances, Company shall spot quote the requested Services in writing, which will become the applicable rate upon Company receiving written acceptance of the spot quote from Customer (written acceptance includes e-mail from a representative of Customer). Upon request from Customer, Company shall include with its invoice for the spot quote a copy of the written acceptance received from the Customer. Unless the spot quote and the written acceptance clearly indicate that the services provided and the applicable rate are to be on an extended basis (e.g., for the remainder of the term), the spot quote will apply only to the immediate services provided in connection with the spot quote request. Services provided pursuant to spot quotes will be subject to these terms and conditions.

9. **Information Systems Components Used or Supplied by Company**. Any management information system, hardware, software and documentation supplied by Company in connection with the Services, and any data provided by Company or derived from data provided by Company (collectively, "**Company Information Components**"), whether owned by Company, any of its affiliates, or a third party from which Company has purchased or licensed such Company Information Components, are and will remain the sole and exclusive property of Company or such third party, as applicable, and all rights, title and interest therein, and all copies thereof, including without limitation any and all copyrights, patents, trade secrets, trademarks and other intellectual property and proprietary rights in or to any of the foregoing, are retained by Company or such third party, as applicable, and Customer will treat all non-public Company Information Components, and non-public information about their capabilities, as confidential and not copy, use, relocate, modify, distribute, or disclose any Company Information Components to third parties without Company's prior written consent, except as required by law. Customer will not, by virtue of these terms and conditions or otherwise, acquire any proprietary rights whatsoever in any Company Information Components. All software provided to Customer will be subject to the license agreement that is provided along with such software.

Any right not expressly granted to Customer by Company is expressly reserved by Company. Customer acknowledges that Company makes no representations or warranties, express or implied, with respect to any Company Information Components. Customer agrees to keep the Company Information Components free from liens and encumbrances. Any management information system or computer hardware or software supplied by Company or a third party in connection with the Services and any related documentation in Customer's possession will be promptly returned to Company or such third party upon the expiration or termination of the Services.

10. **Claims and Limitation of Actions.**

(a) Unless subject to a specific statute or international convention, or if a shorter period is provided in any transportation document issued by Company, including, but not limited to, bills of lading, sea waybill, air waybill, delivery order or power of attorney, all claims against the Company for a potential or actual loss, must be made in writing and received by the Company, within thirty (30) days of the event giving rise to claim; the failure to give the Company timely notice shall be a complete defense to any suit or action commenced by Customer.

(b) All suits against Company must be led and properly served on Company as follows:

(i) For claims arising out of ocean transportation, within one (1) year from the date of the loss;

(ii) For claims arising out of air transportation, within two (2) years from the date of the loss;

(iv) For any and all other claims of any other type, within two (2) years from the date of the loss or damage.

11. **No Liability for the Selection or Services of Third Parties and/or Routes.** Unless Services are performed by persons or route management systems engaged pursuant to express written instructions from Customer, Company shall use reasonable care in its selection of third parties, or in selecting the means, route and procedure to be followed in the handling, transportation, clearance and delivery of the shipment; advice by Company that a particular person or rm has been selected to render services with respect to the goods, shall not be construed to mean that the Company warrants or represents that such person or rm will render such services nor does Company assume responsibility or liability for any actions(s)

and/or inaction(s) of such third parties and/or its agents, and shall not be liable for any delay or loss of any kind, which occurs while a shipment is in the custody or control of a third party or the agent of a third party; all claims in connection with the acts or omissions of any third party shall be brought solely against such party and/or its agents; in connection with any such claim, Company shall reasonably cooperate with Customer, which shall be liable for any charges or costs incurred by Company.

12. **Estimates Not Binding.** Estimates as to fees, rates of duty, freight charges, insurance premiums or other charges given by Company to Customer are for informational purposes only and are subject to change without notice; no estimate shall be binding upon Company unless Company in writing agrees to undertake the handling or transportation of the shipment at a specific rate or amount set forth in the estimate and payment arrangements are agreed to between Company and Customer.

13. **Title, Risk of Loss, Damage.** It is understood and agreed between the parties that, unless otherwise expressly agreed to by Company, Company shall not acquire title to or assume risk of loss for any of the goods on behalf of Customer, and shall not, in the course of providing the Services in accordance with these terms and conditions or otherwise, acquire title to or assume risk of loss for, or be deemed to have acquired title to or assumed risk of loss for, the goods whether on behalf of Customer or otherwise.

14. **Reliance On Information Furnished.**

(a) Customer acknowledges that it is required to review all documents and declarations prepared and/or led with U.S. Customs & Border Protection, other Government Agency and/or third parties, and will immediately advise Company of any errors, discrepancies, incorrect statements, or omissions on any declaration or other submission led on Customer's behalf;

(b) In preparing and submitting customs entries, export declarations, applications, security filings, documentation and/or other required data, Company relies on the correctness of all documentation, whether in written or electronic format, and all information furnished by Customer; Customer shall use reasonable care to ensure the correctness of all such information and shall indemnify and hold Company harmless from any and all claims asserted and/or liability or losses suffered by reason of Customer's failure to disclose information or any incorrect, incomplete, or false statement by Customer or its agent, representative or contractor upon which Company reasonably relied. Customer agrees that Customer has an affirmative non-delegable duty to disclose any and all information required to import, transport, export or enter the goods.

15. Declaring Higher Value to Third Parties.

Third parties to whom the goods are entrusted may limit liability for loss or damage; Company will request excess valuation coverage only upon specific written instructions from Customer, which must agree to pay any additional charges therefor; in the absence of written instructions or the refusal of the third party to agree to a higher declared value, at Company's discretion, the goods may be tendered to the third party, subject to the terms of the third party's limitations of liability and/or terms and conditions of service.

16. Insurance. Unless requested to do so in writing and confirmed to Customer in writing, Company is under no obligation to procure insurance on Customer's behalf; in all cases, Customer shall pay all premiums and costs in connection with procuring requested insurance.

(b) Subject to the terms below, Customer agrees that in connection with any and all Services performed by Company, Company shall only be liable for its negligent acts, which are the direct and proximate cause of any injury to Customer, including loss or damage to Customer's goods, and Company shall in no event be liable for the acts of third parties. Company shall not have a duty of indemnification to the extent that losses arise due to the negligent or willful acts or omissions of Customer;

(c) In connection with all Services performed by Company, Customer may obtain additional liability coverage, up to the actual or declared value of the shipment or transaction, by requesting such coverage and agreeing to make payment therefor, which request must be confirmed in writing by Company prior to rendering services for the covered transaction(s). Company shall not be liable for service delays.

(d) In the absence of additional coverage under (b) above, Company's liability shall be limited:

(1) As set forth in the terms and conditions of the applicable contract of carriage issued by Company or

(2) If the Services are subject to the following regulations set out in international conventions or statutory legislation these conventions or legislation are compulsory applicable to the Services and Company's liability shall be subject to the limits of liability thereunder:

For international carriage of goods by air subject to the Convention for the Unification of Certain Rules for International Carriage by Air of 1999 (the “**Montreal Convention**”) this Montreal Convention shall apply. For shipments subject to only the Convention for the Unification of certain rules relating to international carriage by air as of 1929 (the “**Warsaw Convention**”) this Warsaw Convention shall be applicable, however, where both the Warsaw and the Montreal conventions apply the Montreal Convention shall prevail.

iii. For all other loss, damage or claims, including to the extent that the Services are not subject to the aforementioned international conventions, statutory legislation or they are part of a multimodal shipment and it cannot be determined in which mode of transport the loss of, damage to or delay of the goods occurred, Company's liability for Services shall be limited to \$50.00 per shipment, as applicable, and in no event shall exceed \$1,000 per occurrence and \$10,000 per annual aggregate.

26. Application of Tariff, Bills of Lading. To the extent that Company is performing Services as a non-vessel operating common carrier, the provisions of Company's applicable tariff, if any, and Company's bill of lading terms and conditions of service are incorporated herein. In requesting or accepting Services, Customer acknowledges the receipt, and application of the tariff and/or Company bill of lading terms and conditions. Copies of the provisions of Company's applicable tariff are obtainable from Company or its agents upon request or, from

Company's publicly available tariff, which is published at the location reported to the appropriate government body. The tariff is also available by subscription or publicly available. Company's tariff and bill of lading terms and conditions of service are provided to Customer by Company in other commercial documents related to the carriage of goods by sea (which may include, but are not limited to, Company's invoices, the shipper's letter of instructions, the credit application, powers of attorney, and other commercial documents), and at Company's offices. Nothing herein shall be understood to replace or supersede any applicable terms as contained in Company's tariff or bill of lading. With respect to the provision of services as a non-vessel operating common carrier, in the case of inconsistency the following order shall govern: Company's tariff, Company's bill of lading terms and conditions, these terms and conditions of service.

28. Brokerage Services. To the extent that Company is performing Services in the United States as a domestic transportation broker, it is understood that Company's responsibility shall be limited to arranging for transportation of Customer's freight as a "broker" of freight transportation, as that term is defined by 49 U.S.C. § 13102(2). (c) Customer shall be primarily responsible for the payment of all carrier charges, including freight and accessorial charges, for the shipments.

(d) Customer shall be responsible for the accurate freight classification for all shipments.

It is expressly understood that Company does not assume responsibility as a carrier or freight forwarder of cargo under said agreements and Customer expressly acknowledges that Company does not assume such responsibility as a carrier. In the event that Company performs other services relating to the transportation of Customer's freight, Company's liability shall be limited to \$50 per shipment, or the limitation as set forth in the applicable bill of lading or transport document, whichever is less. In the event Company agrees to perform other functions, separate and apart from broker services, including, but not limited to, the arranging for customs brokerage services, ocean freight forwarding services, temporary storage and warehousing services, and other logistics functions, where any loss or damage occurs as a result of acts or omissions, breaches, or other liability arising from the provision of services not related to the performance of broker services, the liability of Company shall be as set forth herein.

(f) It is understood that the insertion of Company's name on the bill of lading and/or delivery receipt shall be for the convenience of Customer or carrier only and shall not change Company's status as a property broker or make Company liable as a carrier of the shipment.

(g) It is expressly understood that these terms and conditions shall apply even in the event Company utilizes its own equipment to provide the Services contemplated herein. (a) Definition. "**Warehousing Services**" shall include all services performed by Company at Company's warehouse, or in a warehouse leased or otherwise utilized by Company. These services shall include, but not be limited to, storage, on-forwarding, warehouse distribution, packing and crating.

(b) In the performance of the warehousing services, Company shall be considered as a warehouseman under applicable local law.

(c) For all property of Customer or Customer's customers entering into the possession of Company as a warehouseman, Company shall issue a warehouse receipt which shall note the description of the merchandize entering the warehouse, including, if available, quantity, type, condition and value of the merchandize. The warehouse receipt may also include the rate of storage and any other charges for services to be rendered with respect to the merchandize. In the event a warehouse receipt is not issued, these terms and conditions shall apply and Customer agrees to pay the rate for storage as set forth in the Invoice for Services issues by Company.

(d) All goods for storage shall be delivered at the warehouse property marked and packed for handling. Customer shall furnish, at or prior to such delivery, a manifest showing marks, brands or sizes to be kept and accounted for and the class of storage desired, otherwise the goods may be stored on bulk or assorted lots, in freezers, coolers or general storage at the discretion of Company and will be charged accordingly. Company undertakes to store and deliver goods only in the packaging in which they are originally received, unless by special arrangement and subject to charge.

(e) All goods are stored on a month-to-month basis unless otherwise agreed prior to commencement of the storage period. Unless otherwise agreed by Company and Customer, a full month's storage charge will apply on all goods received between the first and fifteenth inclusive of calendar month and one half month's storage charge will apply on all goods received between the sixteenth and the last date inclusive of the month, and a full month's charge will apply to all goods in storage on the first day of the next succeeding calendar month.

(f) Except where another procedure is provided by statute, Company may, upon written notice to Customer and to any other person known by Company to claim an interest in the goods, require the removal of all or any part of the goods by the end of the

next succeeding storage month. Such notice shall be given by delivery in person or by registered or certified letter addressed to the last known address of the person to be notified.

(g) In all circumstances where freight is received at the warehouse, transit shall be deemed to have ceased and the storage of said goods shall be pursuant to the terms of the warehouse receipt issued or in accordance with these terms and conditions of service.

(h) Company is specifically authorized at its sole discretion and without notice to store the subject goods with third parties. Third parties to whom the goods are entrusted may limit liability for loss or damage; Company will request excess valuation coverage only upon specific written instructions from Customer, which must agree to pay any charge therefore. Customer expressly acknowledges that there is a distinction between excess valuation coverage, which increases the legal liability amount of the subject service provider beyond a released value rate, and a request for insurance. In the absence of written instructions from Customer, and/or in instances in which the third party does not agree to a higher declared value, at Company's discretion, the goods may be tendered to the third party subject to the terms of the third party's limitations of liability and/or terms and conditions of service.

(i) Liability. Company's liability for loss or damage for warehouse services provided at a warehouse it operates or owns shall be limited to 50 cents per pound per item, unless otherwise provided in the warehouse receipt. Company shall in no way be liable for any loss or damage occurring in a third-party warehouse. The responsibility of Company, in the absence of any other written provision is that of reasonable care and diligence required by law. Company shall not be responsible for loss or damage caused by acts of God, re, insects or rodents, rust, normal wear and tear, leakage, extremes in temperature or ambient moisture, inherent vice, latent defect, loss of market due to delay or any other consequential loss or damage, wars, strikes, riots, civil commotion or any other cause beyond the control of Company. Further Company shall not be responsible for breakage of any fragile items unless packed and/or unpacked by Company. In the absence of any visible signs of damage, Company shall not be responsible for the mechanical operation of any musical instrument, electronic device of any description or of any photographic equipment. Perishables of any description, which susceptible to damage through temperature changes or other causes incidental to general storage, are accepted for general storage at Customer's risk.

Authorities, acting with actual or apparent authority in the premises, Authority of Law, Quarantine, Riots, Strikes, Civil Commotions, Hazards or Dangers incidental to a State of War or Undeclared War; (ii) The Act of Default of the Shipper or Consignee; (iii) The Nature of the shipment, or any defect, characteristic or inherent vice hereof; (iv) Violation by the shipper or consignee of any of the rules contained in applicable tariffs, including, but not limited to improper or insufficient packing, securing, marking or addressing, and failure to observe any of the rules relating to shipments not acceptable or acceptable only under certain conditions; nor, (v) Compliance with delivery instructions from the shipper, consignee, or noncompliance with special instructions from the shipper or consignee not authorized by applicable tariffs.

31. **Special Instructions**. The parties acknowledge that special services or instructions may occasionally arise with respect to the Services. Additional Details/Information		

Dear Customer,

We thank you for selecting **GLC** for your company's distribution needs. We pride ourselves in our commitment to professionally handle your inventory and will do everything within our power to make sure your products are handled carefully and kept secured.

You should be aware, however, that circumstances outside of our control could lead to damage or loss while your shipment is in our facility. We, therefore, highly recommend you purchase **All Risk Warehouse insurance** to cover your shipment while at our facility. **Your goods are not covered by insurance while at our facility.** You must have house insurance through your insurance provider for the goods or you have the option of purchasing insurance through GLC.

Your inventory should be insured for its full CIF value, Cost of Goods---Insurance---Freight, plus 10%; this will insure that your company's total financial exposure is covered against any physical loss or damage while the goods are at our facility.

Please note that all warehouse operations limit their liability to amounts that simply won't cover the full financial exposures involved with your shipment. For example the market standards for a warehouse's limit on liability read as follows:

- Under no circumstance shall warehouse be liable for any damages in excess of the actual cost to customer of replacing or reproducing the goods at the time of the loss or damage or \$0.50 per pound, whichever is less.

In certain circumstances warehouses could have no liability to your inventory at all. For example:

- The BOL and delivery receipt were signed clean.
- Concealed damage
- The loss was a result of an Act of God or a strike or riot.

GLC is pleased to confirm we can provide "All Risk" Cargo Coverage. Highlights of our insurance program are:

- **"All Risk" Cargo Coverage Cost \$0.35/\$100 of value (based on cost, freight + 10%) with a \$75.00 min.**
- Covers from Warehouse to Warehouse
- Storage Coverage Extensions as required
- Worldwide Network of Claim Settling Agents
- Negotiable Insurance Certificates as required by Letters of Credit
- A Professional Claims Processing Office, International Bond and Marine Brokerage, Ltd., who will represent you in the settlement of a claim
- Financially Sound Insurance Carriers
- Claims Control and Risk Management Services through our insurance partner, International Bond and Marine Brokerage, Ltd.
- A claims processing computer system with full automation of cargo claim adjusting, which will provide on-line service to access claim status and claim analysis reports.

Sincerely,

GLC and Affiliated Brands.

"Terms and conditions - GLC and affiliated brands shall not be liable for any loss or damage to goods stored, however caused, unless such loss or damage resulted from the failure by warehouse to exercise such care in regard to the goods as a reasonably careful man would exercise under like circumstances. Warehouse is not liable for damages which could not have been avoided by the exercise of such care. In particular, but without limiting the extent of the foregoing disclaimer, warehouse shall not be responsible for damage caused by fire, wind, water, sprinkler leakage, vermin, acts of god, strikes, terrorism or other work stoppages, or other causes that are beyond the control of warehouse.

In the case of loss or damage, under no circumstance shall warehouse be liable for any damages in excess of the actual cost to customer of replacing or reproducing the goods at the time of the loss or damage or \$0.50 per pound, whichever is less, or for any lost profits or other consequential or incidental damages or for punitive damages.
